Want to Achieve Great Things in Life?

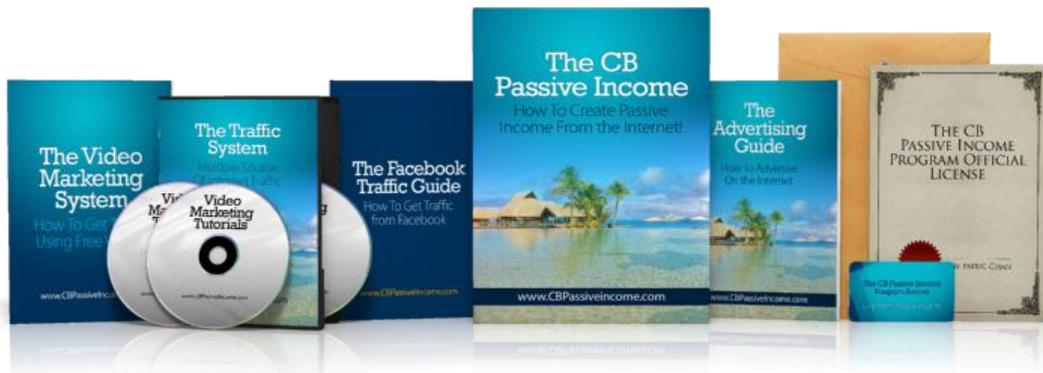

Apply This Alphabet for Action by Schuller

'Winning starts with beginning, and beginning starts with a single action.'
he assigns positive, possibility-thinking verbs – action words – to each letter of the alphabet to help us get started with simple positive actions to change our lives.

A... Affirm that you can do it... affirm that you deserve to succeed.

B... Believe that '... somehow, some time, somewhere, through someone's help, you can achieve your heart's highest goal.' Believe that you can make it happen.

C... Commit yourself to a dream. 'When you are inspired with a dream, God has hit the ball into your court. Now you have to hit it back with a commitment. Nobody who tries to do something great but fails is a total failure – he defeated the fear of trying.'

D... Dare to try. Dare to make a commitment. Dare to take a risk. 'Risks

must be taken, because the greatest hazard in life is to risk nothing. The people who risk nothing, do nothing, have nothing, are nothing. They may avoid suffering and sorrow, but they cannot learn, feel, change, grow, love, live. Chained by their attitudes they are slaves; they have forfeited their freedom. Only a person who risks is free.'

E... Educate yourself. 'Ultimately, the knowledgeable person who has the right answers is the one who will impress the powerful people.'

F... Find the talent, the possibilities, the time, the money, and the way. 'There is a great bible verse: "It is the Glory of God to conceal a matter" (Prov. 25:2) God does not lay it all out into the open. No. The diamonds are buried deep in the earth. Pearls are concealed in oysters. The gold has to be carefully mined. Your real talent dwells deep down within, and you may not have discovered it yet.'

G... Give it all you've got. 'There is a principle: New powers are discovered every time you push yourself farther than you've ever gone before.'

H... Hope '...is holding on, and never stopping praying expectantly. It's never giving up. It's never quitting. The single most important healing force is hope: hope of recovery, hope of loving and being loved, hope of making it, and succeeding.'

I... Imagine solutions to your problem. Imagine yourself scaling your mountain. Imagine yourself crossing the finishing line.

J... Junk the junk food of your mind. Throw away the self-pity, the worry, anxiety, and the fear and negative thoughts. Junk them!

K... Knock out depression, knockout discouragement, knock out all kinds of forecasts of doom and gloom. Take control of your life and your future by knocking out all negativity.

L... Laugh at yourself.

M... Make it happen. 'Do you want excitement? Do you want your dream to come true? Then make it happen!'

N... Negotiate. 'You have to be able to negotiate, to compromise. You can't have your way all the time.'

O... Overlook and overcome. 'You have to overlook your own and other people's imperfections. You can't succeed without a team. There are

some problems that can't be solved. However, every problem can be overcome, manipulated, molded.'

P... Persevere; don't give up.

Q... Quit complaining! Do something.

R... Reorganize yourself, your life, your plans. Times change!

S... Share. 'God can do tremendous things through the person who doesn't care who gets the credit and is willing to share the credit, share the power, and share the glory.' 'It's better to let somebody else do a worse job than I would do, than not have it get done at all. The surprising thing is that, more often than not, they do a better job of it than I would have done!'

T... Trade-off that which you are prepared to give up to get or keep what you want.

Trigger Your Inner Wealth Switch.

U... Unlock '...some human values you never experienced before – faith, hope and love.'

V... Visualize the dream before you. 'Don't ever lose the vision. When you lose the vision you're dead. Where there are no dreams, people perish. Success doesn't come through the ways you may think it comes; it comes through the way you think! Think positively. Visualize success!'

W... Work – there is no substitute for work.

X... X-ray your deepest motives. 'There are people who have high moral and ethical integrity in their businesses.' do you?

Y... Yield your life and your problems to God. 'Once you've given God control of your life, it won't be free from difficulty. God has not promised that our skies will always be blue, but He has promised to see us through.'

Z... Zip it up. Schuller in closing says..... 'Jesus said, "I am the Alpha and the Omega, the Beginning and the End, the First and the Last" (Rev. 22:13). You can face whatever is ahead of you, and with Christ as your friend, you can succeed.'

Conclusion from Schuller: ' "If God is for us, who can be against us?" (Rom. 8:31). That is the ultimate secret of becoming tough enough to face the toughest battle and win! Only then can you be sure that your life will prove the truth of the title of this book – Tough Times never last, But Tough people do! – eternally!'
